RE: Cedar Valley Communications, Inc's Motion for Extension of Time, Docket No. 96-45

Dear Commission Members,

This letter is regarding a request for an extension of time filed on June 16, 2006 by Cedar Valley Communications, Inc. Cedar Valley is a small CLEC operating in the rural Northeastern Texas area and is based in Athens, Texas. Currently, Cedar Valley is operating under the protection of Chapter 11 of the United States Bankruptcy Code in an effort to reorganize and restructure its operations. Pursuant to the Bankruptcy Code, Jason R. Searcy, the duly appointed bankruptcy trustee for the bankruptcy estate for Cedar Valley Communications, Inc. filed the Motion for Extension of Time on behalf of Cedar Valley.

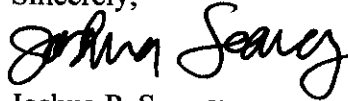

Cedar Valley is a carrier eligible to receive universal service funds. The study area code of Cedar Valley is 449023. Pursuant to FCC regulations, Cedar Valley is required to file its HCL quarterly line report in order to receive these funds. Cedar Valley has requested an extension of time to file the quarterly line report due on December 30, 2005 because it is unable to verify based upon its records the timely filing of this report. All subsequent quarterly line reports have been timely filed by Cedar Valley. Therefore, this Motion for Extension of Time has been filed as a precautionary measure to ensure Cedar Valley's receipt of USF funding for the last quarter of 2005. The confirmation number on Cedar Valley's filing is 2006616892815.

We would respectfully request that the honorable commission would take up our motion and grant our extension in a timely manner. A timely decision will aid our ongoing reorganization process.
